

# Parking

Parking is available to students at all Atlantic Cape locations. A valid parking decal must be displayed on the driver's side rear window or the left passenger window. Decals are available at the Security building on the Mays Landing Campus, at the Security desk at the Atlantic City Campus and the Security Office at the Cape May County Campus. Students must provide proof of registration to obtain decals. A brochure outlining Atlantic Cape's traffic regulations is also available. Students who do not comply with these regulations at all sites are subject to fines or towing.
