

Academic Advisement

Academic planning and course selection are critical factors leading to student success. Atlantic Cape's Student Services Navigators in the Center for Student Success work with students majoring in liberal arts, general studies or who are in pre-program allied health courses. A navigator will review program plans, transfer options and help select appropriate courses. It is important to see your assigned navigator whenever changing majors or selecting courses for transfer to other colleges or universities. A student working with a faculty advisor should schedule an appointment with him/her for academic advising. Early advisement enables students to have an optimum selection of courses.

On the Mays Landing campus, navigators are located in the J building. Call (609) 343-5621 for more information.

On the Atlantic City campus, navigators are located on the first floor. To speak to a navigator at WACC, call (609) 343-4895.

On the Cape May campus, navigators are located on the first floor. To speak to a navigator at CMCC, call (609) 463-3993.
