

Academic Classification Appeals

Students with extenuating circumstances (personal, medical or employment related) may appeal to the Academic Standards, Policies, and Procedures Committee. Upon written notification of academic classifications, students will be given notice of their right to an appeal, appropriate contact information, instructions for requesting appeal and appropriate scheduling information. Upon being granted this opportunity, students may submit their appeal in writing or in person. The committee will judge each case and state its finding to each student regarding its disposition of either upholding or reversing the assigned academic status.
