

Intercollegiate Sports

Atlantic Cape is a member of the NJCAA Region XIX as well as the Garden State Athletic Conference, which determines a state champion and selects all-conference teams in each sport. Atlantic Cape is one of more than 500 members of the National Junior College Athletic Association (NJCAA). The NJCAA sponsors national championship events and selects All-American teams.

Atlantic Cape abides by the eligibility requirements of the NJCAA for all members of intercollegiate athletic teams.

"The Buccaneers" is the official College team name for all Atlantic Cape sports. Atlantic Cape competes in intercollegiate men's basketball, baseball, women's basketball and volleyball. Atlantic Cape has a nationally ranked co-ed archery team. We will also offer men's and women's soccer, starting this fall semester.

For additional information contact the Athletic Director at (609)343-5043 or email jedwards@atlanticcape.edu.
