Transfer Agreements

Articulation agreements are transfer partnerships between two-year and four-year colleges that allow for the smooth transition of students from junior/community colleges to four-year institutions. Although Atlantic Cape graduates may transfer to colleges/universities throughout the United States, they may want to take advantage of one of the articulation agreements below. For additional information on a specific college or university, contact Kristi Collemacine at (609) 463-3993 or kcollema@atlanticcape.edu or visit www.atlantic.edu and search for Transfer Planning.
