

ARTS250 : Special Topics in Arts

An in-depth, advanced lecture/studio course that explores a specialized area of the ARTS to enhance the portfolio for potential employment and/or improve a skill set in an area of fine or digital arts. The specialized course topic is intended to be explored in a comprehensive method to strengthen proficiencies and focus on a topic not offered in a standard curriculum.

Credits 3

Lecture Hours 2

Lab/Clinical/Field Study Hours 2

Prerequisites

ARTS100, ARTS110, ARTS112, ARRTS128 or ARTS135 (Pre-requisite will vary appropriate to special topic).
