

# AVIT101 : Experiential Flight

Designed for students interested in experiencing limited flight training. The course provides 5 hours of introductory ground training and 10 hours of flight training. Students will work with an FAA certified flight instructor and will be introduced to basic aeronautical skills and knowledge. This course is not intended for students wishing to earn a pilot's license. The course is for students who simply want to gain some experience flying a single engine aircraft.
