

AVIT200 : Aeronautical Skills

This course is designed to extend a student's flight training. The course provides an opportunity for students to focus on their individualized needs as a student pilot attempting to gain the skills and knowledge necessary to safely exercise the privileges and obligations of a licensed pilot. Students are presented with a combination of lecture, simulation, and practical flight experience designed to meet their needs. This course affords students an additional 15 hours of flight training with a certified flight instructor.
