

ESLNO93: Advanced ESL: Listening and Speaking Skills

Practice in speaking, listening to, and correctly pronouncing American English. Students will listen to various native speakers of English and discuss what they have heard. Extensive practice in pronunciation will include speech patterns like stress, intonation, and rhythm. Laboratory assignments will be given for further development in the acquisition of standard American English speech patterns. This course is required for all students, whose native language is not English, before moving into General Education or program courses.
